FOCUS AND SCOPE

DIJB aims to be the media for publishing empirical issues related to business studies. DIJB invites manuscripts in the some topics including marketing management, finance management, operation management, human resource management, innovation management, knowledge management, organizational behavior, organizational development, and change management. DIJB's main objective is disseminating empirical issues in business studies to the broad audiences such as, but not exclusive to, academicians, graduate students, and business practitioners.

PEER REVIEW PROCESS

All manuscripts that have been submitted in DIJB will go through these processes:

1. Author submit the manuscript
2. Editor evaluation [some manuscripts are rejected or returned before the review process]
3. Blind peer review process
4. Editor Decision
5. Confirmation to the authors

OPEN ACCESS POLICY

This journal provides immediate open access to its content on the principle that making research freely available to the public supports a greater global exchange of knowledge.
