

Dear Presenter ICTMHS 2023,

Thank you for submitting your paper to the 7th International Conference on Translational Medicine and Health Sciences (ICTMHS) 2023. After the committee review and discussion process has been carried out, we would like to inform you that your paper entitled:

NOVEL ENDOPHYTIC BACTERIA ISOLATES FROM ANDALIMAN (*Zanthoxylum acanthopodium* DC.) WHICH POTENTIALLY INHIBIT *Escherichia coli* AND *Staphylococcus aureus*

by the author:

Debie Rizqoh, S.Si., M.Biomed.

Recommendations from reviewers and our scientific committee suggest that your paper should:

submit to the Journal of Biomedicine and Translational Research

Journal link: <https://ejournal2.undip.ac.id/index.php/jbtr>

There are several things we need to inform you as follows:

1. All decisions of the ICTMHS 2023 committee are absolute and cannot be contested
2. Please fill in a statement letter from the author stating whether the paper sent to the ICTMHS 2023 committee will be continued according to committee recommendations or not (see attachment file)
3. Papers recommended for submission to journals will not be included in the 2023 ICTMHS proceedings
4. Authors need to send revised papers to the ICTMHS committee to continue the ICTMHS Proceeding process maximum 14 days since this email was received, while papers recommended to submit on certain journals do not need to send revised papers to the ICTMHS committee.
5. **This letter can be used as a supplementary file when submitting to a recommended journal.**
6. The author should follow the review process of the intended journal and accepts the final manuscript acceptance decision from the journal editorial

For your attention and good cooperation, we thank you for your participation in ICTMHS 2023.
