Abstract: Manuscripts written in Bahasa Indonesia should have abstract in both English and Bahasa Indonesia. However, any English article is not required to have abstract in Indonesian language. The content of abstract should include research objective/s, methods, results, and conclusion with a maximum length of 250 words and is completed with at least three key words in alphabetical order.

Keywords: instructions, journal, tataloka, writing

Introduction

Original research articles are preferable. However, other types of manuscripts such as review, including book review, conceptual or theoretical framework, and philosophical view, are also welcome. Articles should be systemized as follows: Introduction (should include the literature review), Methods, Findings and Discussion (please include the analysis in this section), and Concluding Remarks (please include the recommendations, if any, here). The typing format of manuscript is as follows: one spacing, font type Amasis MT 11 pts, A4 paper size, use Word for Windows (preferably the 1997-2003 version), maximum of 7000 words in length.

How to Write the Title

The article title should be written with center alignment, fonts of Franklin Gothic Medium Cond of 18 pts bold, and a maximum of 14 words. Author name/s should be placed under the article title with title case format, no academic or other titles included, completed with the affiliated institution names. For articles written in Bahasa Indonesia, the title should also be written in English.

How to Write the Abstract

Abstract is a very brief summary of the article, so it should include the problem statement, aim/s, methods, analysis, results, and conclusion. For article in Bahasa Indonesia, abstract should be written in both Bahasa Indonesia and English. The maximum length of abstract is 250 words. Indonesian abstract (*abstrak*) should use Amasis MT fonts 10 pts, while the English abstract should be written in Franklin Gothic Cond 10 pts. The writing format for key words is the same as that for abstract; however, key words should be written in italics.

How to Write the Body of Article

The article should be written with left-right alignment using Amasis MT fonts, 11pts. The margin format should be 30 mm top, 30 mm bottom, 30 mm right, and 30 mm left. Header and footer margin is 15 mm. The paper size is A4.
